

Submitter: Nancy Powell

On Behalf
Of:

Committee: House Committee On Emergency Management, General
Government, and Veterans

Measure: HB3260

As a 20 year resident of Oregon, I've never understood why we can't pump our own gas. In Detroit, Oregon there is only one gas station and getting people to come work in Detroit, especially in the off-season, is very difficult. I'm in support of this bill, allowing smaller, remote communities such as Detroit to not have to stuff gas stations for full service.
