

Submitter: Eric Lindquist
On Behalf Of: Law abiding Oregonians
Committee: Senate Committee On Judiciary
Measure: SB527

This bill is a form of discrimination. Oregon has a legal age of 18 except for controlled substances. An 18 year old can sign up to fight for their country, so they should have every right to defend themselves at home. We need to be teaching responsibility instead of handcuffing the younger generation. This bill is just another progressive chip into the liberty of our Constitutional Republic. Social Democratic policy is abhorrent to the constitution.
