

Submitter: David Klaus

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB348

With the drafting of this bill it is clear that the proponents of measure 114 are attempting an end run around the Judiciary. Listening to the testimony in favor of this bill was illustrative of how ill informed the anti gunners are as well as their willingness to flat out lie to get their way. Here's what you Democrats need to get through your thick skulls full of mush; WE THE PEOPLE OF OREGON ARE SICK AND TIRED OF YOUR F ING BULLSHIT. NOTHING YOU CAN DO OR SAY WILL EVER COMPEL US TO COMPLY WITH YOUR TYRANNICAL EDICTS. GOT IT?
