Committee: Senate Committee On Judiciary
Measure: SB348

I am writing you this for I oppose this measure. As you all know on good consciousness this is a violation of our 2nd amendment rights no matter how you reword or rewrite these bills it is unlawful and goes against what our forefathers wrote in the constitution. Besides this point the main reason I oppose this as the world becomes more chaotic and police officers have there hands tied when it comes to criminals and gun related crimes as a good Samaritan I have chose at 59 years old to carry a gun for safety for me and my family. You see law abiding citizens follow the law we take gun safety classes, learn to use the gun properly and know to respect it. All this bill would do is take the gun away from the lawful citizens but the criminals will still have the gun and the violence will continue. So quit trying to punish the people that do the right thing and start figuring away to punish the ones that steal and buy guns illegally and do heinous crimes. I seriously oppose this bill.

Thank you
