Measure: SB348

I OPPOSE this bill entirely. Any bill that infringes on OUR (MY) 2nd amendment rights is unconstitutional. It only takes one bullet to kill so limiting the gun magazines to 10 is ludicrous. If a person is hell bent on killing another person, they will find a way. Increasing the fee to cover the cost of implementing this bill will further disenfranchise people. If passed, it will end up in court also.
