

Submitter: Henry Schmid
On Behalf Of: schmid family farm llc
Committee: Senate Committee On Judiciary
Measure: SB348

SB348 is a piece of trash instigated by democrats' intent on persecuting Innocent hard working, tax paying citizens in an attempt to derail their god given rights in the constitution to defend themselves against tyrants and criminals. and i might say this bill will have jackshit effect on criminals because criminals will not obey them or the constitution.
