Testimony in support of: House Bill 2765: Relating to treated wastewater discharged by the South Suburban Sanitary District; declaring an emergency.

Submitted to: House Committee On Agriculture, Land Use, Natural Resources, and Water

Dear Chair Helm Vice-Chairs Hartman and Owens and members of the committee, My name is Brittany Thompson. I am a citizen of Klamath Falls Oregon and South Suburban Sanitation customer.

Klamath Falls is my home and where I have chosen to raise my 2 boys because this is a place I love and where I grew up. I am a homeowner, a single mom of 2, a working mom working 1 full time job, a night job a side at home job just to make ends meet to make my house payment, car payment, insurance, basic needs and groceries and utilities. I've struggled to do so even with carrying these jobs. I'm in support to House Bill 2765 as I feel it is beneficial to me and my family as well as other customers of the SSS.

I respectfully encourage you to vote YES on HB 2765.

Respectfully,

Brittany Thompson
