Committee: Senate Committee On Judiciary
Measure: SB1070

Chair Prozanski, Vice-Chair Thatcher, and Members of the Senate Committee on Judiciary:

My name is Jai Raj Singh. I am a City Councilor for the City of Tigard located in Washington County.

I am writing in strong support of SB 1070, which will help to end the overincarceration and continued abuse of survivors of domestic violence. We must recognize and support all survivors of domestic violence in Oregon.

In Oregon, more than one-third of women experience domestic violence. For too many survivors of domestic violence, their victimization is a pathway to incarceration. They are arrested and prosecuted for acts committed out of survival, like protecting themselves or their children from the abuser, fighting back or trying to escape from the abuser, or stealing out of financial need due to the abuse.

Across Oregon, 70% of likely voters said they would support legislation that would allow courts to impose shorter sentences — including resentencing people already in prison — for people who are survivors of domestic violence when the abuse was a contributing factor to the offense.

SB 1070 would do just that by allowing judges the discretion to impose a lesser sentence if: 1) the defendant was subjected to domestic abuse; 2) the abuse was a contributing factor to the defendant's criminal behavior; and 3) sentencing the defendant to a presumptive or mandatory sentence would be unduly harsh in light of the circumstances. The bill would also create a task force to make recommendations to the Oregon Department of Corrections as to the services and support that survivors need to return to the community healthy and safely.

I urge you to support SB 1070 and pass it out of committee with a "Do Pass" recommendation.

Thank You,
Tigard City Councilor Singh
