

Submitter: Anne Campbell

On Behalf Of:

Committee: House Committee On Climate, Energy, and Environment

Measure: HB3459

This bill will raise the rates of all customers who pay their bills on time and in full. Once again the government wishes to take away the incentive to work and pay your own bills. There will always be freeloaders and I do not believe they should be rewarded for bad behavior or decisions. There is already low income energy assistance. This goes to far and is over the top.
