

Submitter: Amie Johnson  
On Behalf Of: We The People  
Committee: Senate Committee On Judiciary  
Measure: SB348

The right of the people to keep and bear Arms shall not be infringed!!! You need to remember that you work for us The People. We The People do not want our God given rights taken away from us. If an individual can go fight and die for our country at the age of 18 then that same individual has the right to purchase a weapon. Stop the overreach of power! We The People will not stand for it!!
