

Submitter: Jason Blomgren

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB348

Opposition to this bill needs go no further than the simple fact that it is in clear violation of the Oregon Constitution Section 27 which states: "The people shall have the right to bear arms for the defence [sic] of themselves, and the State, but the Military shall be kept in strict subordination to the civil power[.] "

It is also in clear violation of the United States Constitution Bill of Rights Second Amendment which states:

"A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed"

Elected officials are bound to uphold these laws, and proposing legislation that contradicts them should not be allowed, much less passed.

Thank you
