

Submitter: Denis Sieben
On Behalf Of:
Committee: Senate Committee On Judiciary
Measure: SB348

To whom this may concern:

As a law abiding citizen born and raised here in Oregon, I strongly oppose this house bill on the premises that it makes it more difficult for law abiding citizens to obtain and protect themselves using a firearm, which is a constitutional right. I believe this law will not help the gun violence that is already taking place in places like my hometown, mainly Portland and Gresham. You must address the gun violence and gun ownership of gangs in the Portland Metro and around our state before you come for our rights. I strongly oppose any HB that will make it more difficult for us to obtain and use a gun to protect ourselves while this state is experiencing the highest number of homicides on record. Do your jobs and protect our rights, gun ownership rights and the people who live in Oregon.

Denis Sieben
