

Submitter: Kathy Ward

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB348

You are bypassing the rights of the people of Oregon, again attempting to violate our constitutional rights. And, this will have grave effect on women and people with lower income. Have you heard of women who purchase a firearm to protect themselves against brutal ex husbands and boyfriends? Evidently not! You are putting them and people with lower incomes at risk of not being able to lawfully defend themselves...and at the same time cartel and criminals have unlimited access to illegal firearms. Quite going after law abiding citizens. Enforce current laws and deter criminals!!! (no one wishes to visit Portland any longer... once a beautiful city that our government has allowed to be torn apart)
