Measure: SB348

This bill is an outrage of power! if you truly look back in time the rise in gun violence has more to do with the stricter gun laws, gun free zones, and the unwillingness of our judicial system of actually penalizing the criminals. It doesn't matter how many laws you make, bad people will do bad things. Furthermore gun violence is the least cause of deaths and murders. We know how it sells votes and power though as its easy way to scare the uninformed! I urge you to vote no on this!
