

Submitter: Mike Courtney

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB348

I oppose this bill.

The bill would impose many unconstitutional hardships on law abiding citizens, by making it difficult or impossible to obtain tools necessary for self defense, while doing nothing to prevent criminals from imposing their violence upon us.

In 1938, Mao said "Political power grows out of the barrel of a gun."

Is it the intent of the Oregon Legislature to impose Mao's Communist ideas on the law abiding citizens of Oregon?

It is time that you get back to helping your citizens to remain free, rather than continuing your quest to remove our freedom.

We have more than enough gun/people control laws. Why don't you work on funding police and enforcing the laws that are, already on the books?

Please vote NO on SB348

Thank you.
