

Submitter: Garrett Lesko
On Behalf Of:
Committee: House Committee On Judiciary
Measure: HB3390

I strongly oppose this bill. It will detrimentally affect the fly fishing, fly tying, and fishing industry beyond comprehension. There should at least be an amendment that excludes the fly fishing and fishing industry as a whole. If the bill is passed as is 1000s of people in this state will loose not only their jobs but their hobbies and community. Please vote no on the bill.
