

Submitter: Austin Brown
On Behalf Of:
Committee: Senate Committee On Judiciary
Measure: SB348

This bill subverts the courts and the will of the voters. As written, these policies were not voted on by the people. This is a further, regressive prohibition of a constitutional right. It places an undue burden on the lowest income residents of oregon and possibly financially prohibits them from exercising their rights. It is the moral equivalent to a poll tax. It would also be a gross violation of the fourth amendment.
