

Submitter: Constance Norman

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB348

I am opposed to this bill for the following reasons:

- 1) Increasing costs all the way around while creating little to no affective benefits.
- 2) There were no resources for Bill 114 let alone this bill, and this bill would just wind up in the courts also, wasting more tax payers' money.
- 3) This will NOT make us safer. Treating mental illness, regaining control of drugs and giving police more free reign to manage criminal activity will. Our safety is NOT about the guns.
- 4) Please quit trying to keep the innocent from having the ability to protect themselves. I believe you are simply trying to turn innocent people into criminals, hence the opposition to this bill.

Thank You.

C R Norman
