

Submitter: Vasily Kalugin

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB348

I oppose this bill. This bill is aimed at law abiding citizens, instead of going after the real problem. Criminals! This bill will do nothing to stop gun crimes. Instead of taking freedoms from law abiding citizens, why not tackle gang violence, the homeless epidemic, stop letting criminals out of jail, and stop giving every government official raises. Instead of trying to pass bills that are unconstitutional, let the citizens get kick backs from taxes.
