

Submitter: Doug Townsend
On Behalf Of:
Committee: Senate Committee On Judiciary
Measure: SB348

Please do not promote or pass any legislation, such as SB348, especially with its amendment(s), which in any way infringes upon Oregonian's Constitutional 2nd Amendment rights, or that increases the cost to purchase and/or maintain arms and ammunition, or that prevents law-abiding citizens from gun and ammunition ownership, training, and use. There are a plethora of restrictive gun laws already in place, sadly, none of which have eliminated crime or bloodshed. What we really need from our legislature are laws to improve people, such as laws to promote higher educational standards, free speech, religious freedom, and respect for life and respect for one another. Please use your God-given talents and your legislative positions to serve your fellow Oregonians (all of us) well. Thank you for taking time to read my testimony opposing SB348.
