Committee: Senate Committee On Judiciary
Measure: SB348

This bill is just another attempt to deprive law abiding citizens of the right to keep and bear arms. And, I expect that it will eventually be found unconstitutional. In the meantime, this bill/law will deprive the poorer citizens of their right of self-defense and make it very inconvenient for the richer citizens to exercise their right of self-defense. The Legislature seems to have a problem realizing that the police won't be there in time to prevent a criminal killing a citizen; they will be there in time to clean up the mess and investigate what happened. KILL this BILL!
