Measure: HB3390

I oppose this bill.

This bill will outlaw or make criminals of law abiding fishermen in the state of Oregon.

In fly fishing, an ancient and well-established recreational activity that brings great amounts of revenue to Oregon. It is common practice to use deer, elk fur, among others in the construction and use of lures or flies.

We have far greater issues to tackle in this state than to further cater to a minority of people that are offended by the use of fur.
