Measure: SB348

This bill is just a re-hash of Measure 114. I vehemently oppose this bill! This state is no where near equipped to intstitute this law, it raises the price that every day citizens can't afford, and seeks to punish those who are seeking redress from Salem! Time and time again, this state seeks to take away our Constitutional rights, rights that people have fought and died for.

The under-handed move to drop this 64 paged Bill so people cannot fully read and debate this is reprehensible! The lack of integrity in Salem, is beyond disgusting. Not surprising, but disgusting just the same. Your fear mongering is the only tactics you live by!

We, the majority of Oregonians, are sick and tired of your overreach, use of trickery to slide bills through, and only pandering to the liberal parts of this state, then expecting us to pay more taxes to fund your communist desires.

Y'all need to kneel before God, beg for His forgiveness and ours!
