

Submitter: Rene Guzman
On Behalf Of:
Committee: Senate Committee On Judiciary
Measure: SB348

How does SB 348 affect law abiding citizens?

We already have to do a background check to purchase a gun anyway.

It punishes them for following the law.

Cost more to be able to purchase a hand gun or rifle.

Longer waiting period.

Law abiding citizens don't commit gun crimes.

Most guns used in crimes are by criminals who do not purchase guns legally.

The 2nd Amendment states:

A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed.

We the People, Shall not be infringed.
