

Submitter: Jerald Lyda

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB348

I oppose SB348. It will NOT make Oregonians safer, and is not likely to be found constitutional. Additionally, Oregon doesn't have the resources to implement these changes. This will take away rights from law abiding Oregonians. This will have a greater impact upon lower income individuals. I urge you to oppose SB 348. Thank you for hearing my voice.
