

Submitter: Jonathan Ayers

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB348

This bill is almost identical to measure 114, which is being challenged in court as this bill is being introduced. This bill is absolutely unconstitutional, vote it down. It not only violates the United States Constitution, but Oregons Constitution as well. There should be criminal charges brought against whomever introduced this bill, but whomever votes for it as well. This bill will only hurt law-abiding citizens of the state, it will do nothing to stop criminal behavior. Please vote it down.
