COVID is and has always been a plandemic. Dean Sidelinger is a liar. The covid death rate worldwide is 0.3%. This is less than the flu. The jab death rate is 1.6%. The PCR test is 97% false positives. Presumptive cases and deaths are lies of the CDC. 94% of covid cases and deaths are presumptive. See science facts on makingsenseofcovid.com and shutdown the lying OHA.
