

Submitter: Aaron Lyon

On Behalf Of:

Committee: Senate Committee On Housing and Development

Measure: SB611

We need stronger rent control and renter protections in Oregon. Of course my landlord has testified against this bill threatening to leave the rental business but his testimony is false he won't leave if you pass this bill he owns hundreds of properties and makes a fortune. He also doesn't do any kind of maintenance or upkeep.

Being a landlord in Oregon is still very lucrative but being a tenant in Oregon can mean hardship.
