Committee: Senate Committee On Judiciary
Measure: SB348

Dear Sir or Madam,

As a 5th generation Oregonian whose family came to the Oregon territory in 1853 and helped settle this State, I am both very concerned and disappointed that the Democrats dropped a 64-page amendment into SB 348, which is intended to fast track Measure 114. The right to own arms is protected under the 2nd Amendment of the US Constitution signed in 1791. Oregonians, like all American's, cherish our rights passed down by our forefathers. I am confident that Measure 114 will be deemed unconstitutional. Any attempt by the Democratic Party of Oregon to circumvent that process is wrong, unethical and immoral.

As a 66-year-old Native Oregonian, I am strongly recommending that SB 348 be rejected. Let the legal process determine the legality of Measure 114.

Cordially,
Steven Pengra, Redmond, Oregon
