

Submitter: Amie Johnson
On Behalf Of: We The People
Committee: Senate Committee On Health Care
Measure: SB408

We The People make our own health care decision!! We did not vote to allow Oregon Health Authority to make decisions about our health care. OHA was put in place to try to run our lives during a fake pandemic. It's all about control for you all and we will not allow this to happen ever again! Stop this nonsense now. OHA has no authority over We The People!! OHA needs to be defunded yesterday!! The money they receive could go towards mental health care which is needed in many ways!! I strongly oppose this bill and OHA!!
