On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB348

This bill is no less unconstitutional than the original measure. Why this attack on law abiding gun owners? Why not enforce the laws you already have? Why forget the lessons of the Second World War, where an armed citizenry deterred the Japanese from invading? Haven't you seen Red Dawn? When a real invasion comes, China won't be on our side. One begins to wonder if this is a disarming in preparation for an inside job, communist takeover.
