

Submitter: Sharon Streeter

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB348

I support efforts to bring gun legislation AS PASSED BY VOTERS into law. We must not weaken Measure 114. The message that voters sent was clear: guns are killing us. Gun owners must be as responsible as those who drive cars or trucks. Licensing, permits, appropriate training - there is no reason to weaken the provisions of Measure 114. Thank you.
