

Submitter: Kevin Goodrich

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB348

For everyone who thinks their 'well-meaning decisions for everyone else's benefit' should go against the will of the minority, doing so forms a tyrannical majority, which is what a wayward "democracy" looks like. Please OPPOSE this tyranny to preserve, protect, and defend all self-defense rights (not privileges) of Oregonians statewide. Thank you.
