

Submitter: David Klaus

On Behalf Of:

Committee: Senate Committee On Health Care

Measure: SB408

I am opposed to this bill because OHA is a mere extension of big Pharma and the corporate medical establishment. During COVID, the OHA fully demonstrated its incestuous ties to the aforementioned entities by pushing untested vaccines on the public and acting in concert with state and federal agencies to unnecessarily extended a state of emergency that decimated small businesses and closed schools to in person learning, causing grave harm to our students.
