

Submitter: Brandon Howren

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB348

I oppose Measure 114 and further oppose the Measure 114 amendment. This is just a further attempt to subvert our God Given rights as people. It goes against the Second Amendment of the Constitution of the United States, as well as the Constitution of the State of Oregon. This attack on our rights needs to stop. Measure 114 has not even been enacted due to legal challenges. Now you are already trying to add to this subversion of God Given rights. I am vehemently opposed.

Thank you,  
Brandon Howren
