

Submitter: Karen Duncan  
On Behalf Of:  
Committee: Senate Committee On Judiciary  
Measure: SB348

Another school shooting just happened today. Please do not weaken measure 114. The citizens of Oregon voted on this measure, and we want it implemented as it was voted. I appreciate your work, but please do not weaken the bill. I was a third-grade teacher for 40 years, and it breaks my heart to think of those little children dying because we aren't doing enough to protect them. Please do your part to keep measure 114 strong.
