

Submitter: karen wegehenkel

On Behalf Of:

Committee: Senate Committee On Health Care

Measure: SB408

Please DO NOT implement SB 408! Let patients and physicians choose what is best for their healthcare, NOT OHA! Healthcare - alternative or conventional - needs to be on an individual, a case-by-case basis. Healthcare with the intention of healing is an artform, not something a computer can spit out, or any government (or non government) organization should interfere in!
