

Submitter: Michael Racine

On Behalf Of:

Committee: Senate Committee On Health Care

Measure: SB408

I am a physician and board certified endocrinologist and pediatric endocrinologist practicing in Roseburg, Oregon. I oppose SB408 as it would invest unelected bureaucrats with inappropriate power over medical licensing in Oregon, potentially eroding further the ability of medically trained professionals to provide the quality and scope of care that we professionals are otherwise dedicated to providing our patients.
