Measure: SB348

I oppose this bill. It would not resolve the issue, Criminals would still be able to buy a gun illegally. This bill would not stop an individual planning a crime from getting a gun as long as they did not have a criminal record. This bill, again, is potentially unconstitutional and solves nothing but cost the taxpayer more money. Young people 18 to 25, are old enough to fight in a war and handle guns, they're old enough to have them at home. Vote no! This bill is bad.
