

Submitter: Jim Lloyd
On Behalf Of: Clark Skamania Fly Fishers
Committee: House Committee On Judiciary
Measure: HB3390

This proposed legislation ignores the dozen or more Fly Fishing Shops in the state of Oregon. I buy all my fly tying materials in local Oregon Fly shops, would be lost without them. It is, in fact, probable that these Fly Fishing Shops would go out of business if they cannot sell fly tying materials! Please exempt Fly Fishing materials and Fly Shops from this legislation!
