SUBJECT: Argument Against SB 348-1

ATTENTION: FOR ALL REVIEWING AUTHORITIES

Please accept this as my testimony against SB348-1. The inopportune timing of the release of the amended bill late on a Friday night, to be heard approximately less than (72) hours after its release (64 pages), smacks of skull dugery, and bad faith!

SB 348-1 is an attempt by the legislative Branch to over-ride the Judicial Branch on an open appellate case regarding the constitutionality and provisions of Ballot Measure #114. SB 348-1 is delegating legislative authority to nullify another branch of government and assert itself as the sole governing body over Oregonians.

Thank you,
