

Submitter: Mary Sue Evers  
On Behalf Of: Cedar Hills United Church of Christ  
Committee: Senate Committee On Judiciary  
Measure: SB348

I'm writing this just hours after learning of another school shooting, this one in Nashville, Tennessee. This time, three children, three teachers, and the shooter have lost their lives, and who knows how many people are physically injured, and beyond that, psychically scarred.

We worked hard to get Measure 114 on the ballot, and Oregonians agreed that we need saner gun standards. I implore you to make sure that any legislation to implement Measure 114, now in the form of SB 348, fully implements Measure 114 as Oregon Voters supported and passed it. Please clarify provisions and smooth implementation, but don't weaken Measure 114 in any way.

Thank you for your good work! We can reduce gun violence if we put our heads together.
