

Submitter: Heath Hippel
On Behalf Of: Harelina Dubbin
Committee: House Committee On Judiciary
Measure: HB3390

To whom it may concern,

I would like to express my opposition to this bill. This bill would negatively impact my business and that of my main supplier. Harelina Dubbin of Monroe, OR is my main supplier. They have been a valuable partner to my fishing lure business going on 14 years. I purchase fur materials from them to produce my fishing lures. There are no substitutes for the materials I purchase from them. If you are not willing to withdraw this bill entirely, I implore you to exempt fly tying, fly fishing, and all fishing related businesses.

Sincerely,

Heath Hippel
