

Submitter: Kevin Sakai

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB348

I am opposed to SB348. As a minority, I am offended that legislation is being proposed that makes it harder for me to feel safe by raising the permit fee to buy a firearm. This is not only unconstitutional, it violates the concept of equity. I feel like I am being discriminated against because I am not so rich that I can just afford any increase in fees that the legislature wants to make up. Shame on you.
