

Submitter: Sandra McQueen  
On Behalf Of:  
Committee: Senate Committee On Health Care  
Measure: SB408  
To State Legislators

I oppose SB-408 on the grounds that the OHA should NOT have supreme control over our healthcare professionals scope of practice. Our health care professionals need to treat the individual that stands before them and NOT a one-sized-fits-all approach that OHA is vying for.

Thank you
