

Submitter: Meg Larson

On Behalf Of:

Committee: Senate Committee On Education

Measure: SB409

I support SB 409. This will allow more parents to study the curriculum when they have the time during their busy schedules. As things change, they can be updated in real time, thus keeping the school staff on task with running the school and NOT attending to parents continuing to visit the school for the documents. The transparency of putting the curriculum online is good for both the schools, and the parents, which is good for the STUDENTS.
