

Submitter: Robin Lee

On Behalf
Of: myself

Committee: House Committee On Agriculture, Land Use, Natural Resources, and
Water

Measure: HB2127

This wording seems to propose land-use decisions be henceforth the domain of counties and their elected officials. If that is the correct interpretation of the wording, I approve! One size does not fit all, and it is past time to acknowledge that the best-informed decisions are made by those who are directly impacted. I hope this is the correct reading of this. Such a vision is overdue.
