

Submitter: Robin Lee
On Behalf Of: myself
Committee: Senate Committee On Education
Measure: SB409

I support SB 409. Parents, grandparents, guardians, and others who are concerned about children's education should be able to know exactly what is being taught their children. Many Parents/others with need to know cannot visit their children's schools during business hours. It is VERY PRACTICAL to post the information online. It is also commendable TRANSPARENCY. Thank you. Please pass this bill.
