

Submitter: Jean Fish

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB348

I oppose SB 348 as it goes against our US constitution and our Oregon state constitution. Infringing on many of our constitutional rights in the guise of public safety. Please consider spending your time and effort on providing more mental health facilities in Oregon to combat this violence problem that plagues our great state. Its NOT our law abiding citizens that need more rules but those few that need more mental health help.

Thank-you, Jean Fish
