

Submitter: James Cropper
On Behalf Of: WE the People
Committee: Senate Committee On Judiciary
Measure: SB348

You whose sworn duty it is to represent the rightful citizens of the great state of Oregon and the United States of America--- Please actually REPRESENT US !!!

You who bear the title of "The Honorable so-and-so"--- Please prove yourself to be HONORABLE !!!

Article 1 Section 27 of the Oregon Constitution and Amendment #2 to the United States Constitution GUARANTEE the RIGHT of citizens to keep and bear arms. The latter clearly states, "the right of the people to keep and bear arms SHALL NOT BE INFRINGED !!!"

Not only will the proposed legislation (ALL!!) do absolutely nothing to curb crime or promote safety (as you already quite well know), it will undeniably infringe on the enshrined rights of solid, law-abiding citizens who have done nothing wrong and do not deserve this horrendous injustice and mistreatment.

If you either promote, vote for or do not vehemently oppose this wrongful, unconstitutional madness you are violating not only both constitutions, you are violating your sacredly sworn oath to uphold those invaluable documents. That would make you a TRAITOR, guilty of TREASON !!! May I respectfully admonish and adjure you to check and see IF you still have a functional conscience. Thank you.
